Subject: Request to Extend Nijut Moyna Scheme to All Female Students of Assam University

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as a student of Assam University, a Central University that holds immense significance for the state of Assam, to bring to your kind attention a matter of utmost importance.

The recently launched "Nijut Moyna Scheme" has proven to be a remarkable initiative aimed at empowering and supporting female students. However, I humbly request you to consider extending this opportunity to all female students studying at Assam University, regardless of the program they are enrolled in.

This scheme would be especially beneficial for female students from Economically Weaker Sections (EWS) or those facing financial hardships. There are many such students in our university, who come from diverse socio-economic backgrounds and would greatly benefit from the support provided by this scheme.

Assam University, being one of the premier Central Universities in the state, represents the aspirations of thousands of students, and ensuring that all eligible female students have access to such schemes would go a long way in empowering them and ensuring their academic success.

I kindly request you to consider this appeal and extend the scope of the Nijut Moyna Scheme to include all female students at Assam University. Your positive response would not only help uplift many deserving students but also contribute to the overall development of the state.

Thank you for your time and consideration. I look forward to your kind response.

Yours sincerely,

Pritam Acharjee
